

LEXINGTON PIKE OF CONCRETE AFTER ALL

Contract Let To Carey-Reed Co., of Lexington, At \$13,000 Under Former Bid

The first seven miles of the Lexington pike out of Richmond are to be constructed of concrete, after all.

The Carey-Reed Co. of Lexington, was awarded the contract for rebuilding this road into a permanent type of highway by the State Highway Commission at Frankfort Thursday. This was a reletting of this road. The Lexington firm won the contract on its bid of \$230,111 for this work. This bid is \$13,000 under the previous contract which was let to a contractor Miller, of Indiana, at his bid of \$243,000 several weeks ago. He was unable to make satisfactory bond, however, and the reletting this week was ordered by the State Highway Commission and bids were acted on by the commission Thursday.

Over a million dollars in contracts were awarded by the department this week. Other work contracted for includes: 7 miles on the Ohio river road in Hancock county to J. C. Williams, of Winchester at \$85,765, and 12 miles in Breckinridge county to the same contractor for \$114,469; 18 miles in Lawrence county upon the Mayo train to R. G. Hill, of Tazewell, Tenn., \$204,114; nine miles in Union county upon the Ohio river road to Costello Bros., and Mays, Knoxville, \$36,021; 10 miles on the Williamson-Pikeville road in Pike county to the Dempsey Construction Co., of Knoxville, for \$246,345. Other contracts were also awarded for grading and drainage.

MADISON 'SHINE IS FOUND IN LEXINGTON

Moonshine from Madison and a man who is said by the Lexington Herald to be Alvin Richardson, also from Madison, figured in police circles in Lexington Thursday. The Herald said: Nineteen half-gallon jars filled with moonshine liquor were taken, a Buick roadster seized and two men arrested by prohibition agents last night when they searched the automobile which was standing near the corner of Wilson street and East Short street extended. Thomas Ellinson, of Lexington, and Alvin Richardson, of Madison county, were the men arrested and both were placed in the county jail when neither had been able to give the \$500 bond required by U. S. Commissioner Chas. Ward, of Frankfort. Both men are held for transporting, possessing and selling whisky.

The discovery of the car carrying the whisky was by chance, according to Chief Enforcement Agent Felix Fields, who was in charge of the agents who made the capture. The officers were walking about the town on a tour of investigation when they sighted the roadster standing near the curbing. As the officers approached a man who had been leaning inside of the machine, covered up the rear of the seat and entered a house on Wilson street. As the officers passed, the smell of liquor was strong and an examination of the car resulted. Hidden behind the seat was found the 19 half-gallon self-sealing jars filled with moonshine whisky. With this discovery, the officers immediately entered the house and took the two men in custody. The car will be held until the trial. Should the men be found guilty, the machine will then be sold at public auction by the government. The whisky, according to the officers, was brought to Lexington from a point near the border of Madison county, 15 miles beyond Richmond.

WANDERER HANGED IN CHICAGO PRISON

(By Associated Press)

Chicago, Sept. 30—Singing a popular song, Carl Wanderer, convicted of the murder of his wife, her unborn babe, and a "ragged stranger" who he hired to stage a fake hold-up, was hanged in the Cook county jail today. He walked to the gallows with a firm step and as he took his place on the scaffold, he recited a short prayer.

Asked if he had anything to say he began as the shroud was adjusted over his head, to sing "Oh, Pal, Why Don't You Answer Me" and was singing when the trap dropped.

MRS. PATES HONORED BY LEXINGTON SCHOOLS

Mrs. John R. Pates was elected president of the Parent-Teachers Association at the Model High School in Lexington at the meeting of the board held Thursday, to take the place of Mrs. George K. Graves, resigned. That Mrs. Pates will fill the position most acceptably goes without saying, as she is both progressive and thoroughly capable and her host of friends at her old home in this city congratulate the board on being able to secure her services.

Germany Completes Treaty Ratification

Berlin, Sept. 30—The Reichstag today passed a bill ratifying the peace treaty with the United States. Only the Communist members voted against it. National Notables on Red Cross Convention Program Oct. 4 to 8

COLUMBUS, O.—(Special).—To focus attention of the nation at large on the fact that it has a peace program, fully commensurate with its wonderful war achievements, the American Red Cross has called a convention to be held in this city Oct. 4-8, at which will be presented a program of such outstanding importance in the way of personnel as to challenge attention with the biggest conventions held anywhere in years by any civic or military body.

Beginning with President Harding, who has accepted an invitation to address the opening evening session, business of state permitting, the list includes military, civic, educational and health authorities of national and international importance. The cabinet will be represented by Herbert Hoover, who will speak on "The Challenge of Childhood in Foreign Lands." The military will be represented by General J. J. Pershing, the navy by Assistant Secretary Roosevelt, and the Marine Corps by Major LeJeune.

Governor Harry L. Davis of Ohio will extend a welcome, followed by Mayor J. J. Thomas, while Dr. W. O. Thompson, President Ohio State University, will be one of the several prominent educators, including Dr. Livingston Farrand, President-elect of Cornell University; Dr. Henry Noble McCracken, President Vassar College, and Miss Charl Williams, President National Education Association.

Other outstanding features of the program, which contemplates three sessions daily, are: "Juniors at Work in Our Insular Possessions," W. W. Marquart; "The Future Builders of the Nation," Senator Frank B. Willis, Ohio; "The Red Cross in Disaster," Robert S. Gast, Pueblo, Colo.; "The Red Cross Public Health Nurse," Miss Lillian Ward of New York; "The Red Cross and the Nation's Health," Dr. W. A. Evans of Chicago, and "Volunteer Service," Mrs. Eleanor Robson Belmont, New York.

Addresses on topics to be assigned are expected from J. G. Emery, National Commander of American Legion; W. Frank Persons, Vice Chairman American Red Cross; Miss Alice Fitzgerald, director of nursing, League of Red Cross Societies in Switzerland; Dr. Albert Ross Hill, Vice Chairman in charge of foreign operations, and, if possible, General Allenby of the British Expeditionary Forces.

Bringing the program to a dramatic and spectacular conclusion, will be a pageant written for the occasion by Ruth Mougey Worrell, visualizing the history and development of the Red Cross work and its vision of the future. It will call into service 2,500 uniformed and costumed participants, and a trained chorus of 1,000 voices supported by a band or orchestra of more than 50. The pageant will be given in the Coliseum, where the major meetings will also be held, in an auditorium capable of seating 10,000 persons.

UNEMPLOYMENT HELD A LOCAL CONDITION

(By Associated Press)

Washington, Sept. 30—Tentative plans for providing work for the nation's jobless, estimated at four million were completed today for submission to the national conference on unemployment. The recommendations are characterized as an emergency program based on the principle that unemployment in the main is a problem for solution by individual communities, with the federal and state governments aiding in such ways as possible. The establishment of emergency committees in communities to co-ordinate work of finding jobs and for registration of the unemployed is understood to be recommended as the initial step in the relief program.

Mrs. Vances Trial is On

Bardstown, Ky., Sept. 30—Mrs. Beulah Vance, widow of Charles Vance, wealthy farmer of the Cox Creek neighborhood, who was shot to death in his bed August 18th, was presented for trial in county court today. She was arrested Wednesday in connection with her husband's death. Efforts to swear Judge Wallace, Brown off the bench on the ground that he is prejudiced, were unavailing. Mrs. Vance's daughter, Allie, previously was held in \$2,500 bail in connection with the killing.

World's Series in New York

The New York Yankees practically cinched the pennant in the American League Thursday. Babe Ruth is out of the lineup with an attack of grip but physicians say he will be well enough to play in the world's series against the New York Giants, the pennant winners in the National League. These games start next week.

JESSE M. DYKES FUNERAL SUNDAY

Remains of Madison's First Soldier Hero, to Arrive at Home Saturday Noon

News came in a telegram to J. M. Dykes by wire late Friday that the remains of his son Jesse M. Dykes for whom the local American Legion post was named, will arrive here at 12:08 Saturday afternoon, Oct. 1st. This train leaves Louisville at 6:30 A. M., and is the one coming via Stanford and Lancaster.

Plans are being made for the funeral to be held Sunday afternoon, Oct. 2, at the First Christian church at 3 o'clock.

The Legion boys will have charge of the funeral and will conduct their own ritual at the grave in the Richmond cemetery. The Legion boys are expected to turn out for this occasion. The Floating Canoe tribe of Red Men of which the deceased was also a member, will also hold their service at the grave.

Jesse M. Dykes was the first of the Madison county soldier boys to give his life for his country, and it is expected that a host of friends and loved ones will gather to do honor to his memory.

Notice Legion Members

All American Legion members are requested to be at the club room in uniform at 1:30 o'clock Sunday afternoon, Oct. 2, to attend the funeral of Jesse M. Dykes. CHARLES R. GEORGE, Com.

DANCE MURDERER HELD IN \$10,000

Paducah, Ky., Sept. 30—Finis Rhodes, charged with the murder of Joe Rucks at a country platform dance, was held to the grand jury here today in \$10,000 bail. Spectators who jammed the courtroom were searched for arms after threats against Rhodes. It is charged he killed Rucks after attempting to put him off the dance platform, alleging self-defense.

Mrs. Zack Neeley Dead

Mrs. Zack Neeley, aged 38, died Wednesday night at her home at Pilot Knob. Her husband and three children survive. Deepest sympathy of the community is extended to the family in their bereavement. Jewish New Year

Rosh Hashanah the Jewish New Year 5682 begins Sunday at sunset and according to the legend marks the anniversary of the creation of the world. Rosh Hashanah literally, head of the year) shares with the Day of Atonement, ten days later, the distinction of being one of the most solemn holy days of the calendar year. Tradition places the New Year celebration on the first day of the seventh moon rather than the first month of the Jewish calendar. The reason, it is said, is that his day the world was created, while the first day of the first month the Jews were liberated from Egyptian bondage and began to count their months from that date.

LINCOLN COUNTY GOES OVER TOP

Over 80 Per Cent of Crop Signed Up There—Good Reports From Other Sections

Lincoln county announced Thursday, through Chairman Jesse S. Hocker, that it had raised its quota for the pool of the Burley Tobacco Growers' Co-operative Association, having pladged 1,622,000 pounds of tobacco to the association. Its 1920 production was 2,000,000 pounds.

Congressman J. C. Cantrill made a speech at Stanford to a large crowd, following Mr. Hocker's announcement and urged that the campaign be continued until every grower in the county had signed. Eighty thousand pounds were signed after the meeting.

Boyle county reported 400,000 pounds added in the first day of a three-day drive, with a total of 1,112,000 pounds pledged in that county. Martin Light, of Pendleton county, reported the signing up of 175 contracts totalling 467,000 pounds, with an intensive drive for that county planned.

Additional speaking dates for Congressman Cantrill were announced as follows:

Harrodsburg, Monday, Oct. 3; Lawrenceburg, Tuesday, Oct. 4; Shelbyville, Monday, Oct. 10; Falmouth, Tuesday, Oct. 11.

Organization Manager Joseph Pasonneau, will speak at Gravel Switch, Marion county, Saturday afternoon, at 1:30, and Dave Previtt will speak at Bradfordville, Saturday at the same time.

Cantrill Makes Address

Stanford, Ky., Sept. 30—Congressman J. Campbell Cantrill Thursday, pleaded with a big audience of tobacco growers at the court house to "sign the declaration of independence of the children of the tobacco belt" by joining the Burley Tobacco Co-operative Association. Mr. Cantrill said that if the burley business reasons he represented in his address did not induce the growers to sign, he hoped they would do it for the children of the burley district, whose parents, with tobacco at present prices, could not afford to dress them well enough to send them to school or to buy needed books for their use in school.

The judge's stand in the court room was decorated with tobacco leaves, freshly cut, from a crop of forty acres owned by three Lincoln county women, and Mr. Cantrill said the men would have "to go some" to beat that tobacco.

Chairman Jesse S. Hocker presided and made a good speech himself in announcing that Lincoln county had gone over the top and in presenting Mr. Cantrill.

Chairman Hocker, in opening the meeting, said that as this was probably the final public meeting of the campaign, he thought it advisable to give an account of what had been done. He gave credit to the editor of the Interior Journal, the business men, the speakers sent to Lincoln county and the workers on teams which obtained the signatures of the tobacco growers.

Mr. Hocker said 300 Lincoln county growers had signed the contract, representing 1,054 acres or 1,622,000 pounds. As Lincoln produced only 2,000,000 pounds in 1920, the growers had signed up 80 per cent of the crop.

Chairman Hocker presented Mr. Cantrill as a "real friend of the tobacco growers," as one of them, as a man who knew their aspirations and sympathized with their hopes and ambitions.

Mr. Cantrill said he appreciated the attendance, since it was busy week with the tobacco growers, and he had hardly expected such a crowd. He extended to Mrs. Mattie Skirvin, who exhibited 32 leaves of burley tobacco, each about 30 inches long and most of them 4 to 18 inches wide. This tobacco was grown by Mrs. Skirvin and her sisters, Misses Rose and Sarah Hackley, daughters of Mr. J. T. Hackley.

Mr. Cantrill congratulated Lincoln county growers on having signed up more than 80 per cent of the crop. He urged that each man who had signed the contract go out and aid in the campaign until the entire crop is pooled. He said it would hearten the workers in other counties to take into worked harder than any other their meetings the news of the class of people on earth.

DIX RIVER POWER PROJECT UP AGAIN

Lewis Herrington About To Secure Favorable Legislation At Nation's Capital

The Lexington Herald Friday morning has a story that Lewis Herrington, formerly of Richmond, is about to succeed with his Dix river power project, in which a number of local men have been interested for some time. The Herald says:

Recent introduction of a bill by U. S. Senator A. O. Stanley to coase Dix river to navigation is a step toward completion of plans for a giant power dam about two mile above High Bridge, it was learned yesterday.

Lewis Herrington, vice president of the Kentucky Utilities Co., Louisville, and Robert G. Gordon, attorney, are in Washington in the interest of the bill, according to a dispatch.

The Dix River Power Company of which Mr. Herrington is president, has been at work since 1910 purchasing and obtaining options on 25 miles of cliff land along the river. A dam 700 feet wide and 235 feet high is to be constructed eventually. Approximately 30,000 horse power will be obtained at the hydro-electric plant. Power will be furnished throughout central Kentucky and probably Louisville, it is declared.

The river runs through a gorge and is peculiarly suitable for power development. The dam will form a lake 25 miles long and approximately a quarter of a mile wide at the widest point. The land has been purchased or is under option. The cost as now estimated, will be between \$3,500,000 and \$4,000,000, it is said.

Engineers' report show that the plant always will have sufficient water for power development and the terrain purchased will permit the storage of vast quantities of water for drought periods, it is said. It is estimated it may require about 15 months to complete the dam and the power house when construction has begun. The stock in the company originally was purchased by persons in and around Richmond, Danville and Harrodsburg, when Mr. Herrington, whose home was at Richmond and others, were active in forming the concern several years ago bought nearly all the holdings of central Kentucky men, however, according to C. P. Kennedy, principal landowner in the section affected. Options on the land to be taken over in the development were renewed within the past ten days by John Van Winkle, attorney of Danville, Mr. Kennedy said.

work in Lincoln. Mr. Cantrill said that he would not be in this campaign if the farmers were getting a fair price for their tobacco, recalling the fact that in thousands of cases last year the growers did not get enough money to pay their outstanding bills. He said that something was radically wrong when such conditions developed in a district where land was fertile and where the producers in other counties to take into worked harder than any other their meetings the news of the class of people on earth.

FANS PAY TRIBUTE TO GREAT MATHEWSON
Saranac Lake, N. Y., Sept. 30.—Christy Mathewson, for 15 years the idol of baseball fans in America, remained at Saranac Lake today, while thousands of baseball enthusiasts gathered at the Polo Grounds, New York City, scene of many of Mathewson's triumphs in baseball, to pay tribute to him.
Mathewson, one of the greatest pitchers known to baseball, past or present, has been here for more than a year, fighting the greatest battle of his life—that against tuberculosis. The hero of championship races in the National League and of world's series games, too, was anxious to attend the testimonial to him but because of the long distance he would have had to travel and the confusion which would have attended the demonstration for him had he done so, he was persuaded to remain here. In spirit, however, he was there.
Showing the same high purpose and iron nerve that carried him to victory in many gruelling baseball struggles and placed him on the highest pinnacle in baseball's hall of fame, Mathewson today is winning his fight for life. A year ago last July Mathewson today is winning his health. He was here only a short time when he became seriously ill. He was in bed for 13 months.
But Mathewson has fought in the sick bed as he had fought on the baseball fields. And today his battle for life appears to have been equally as successful as his struggles on the diamond. Today Mathewson looks like the Mathewson of old. He appears to be in normal weight and so greatly has he improved in health that now he is permitted to take automobile rides and to short walks in the village. He'll soon be allowed to go anywhere. He is 41 years old.

KIDNEY AND BLADDER TROUBLES HAVE TO GO
Clogged Up Kidney Deposits Are Dissolved and the Toxins (Poisons) Completely Driven Out. Druggists Told To Guarantee It In Every Instance.
"Your very life," says Dr. Carey, "depends upon the perfect functioning and health of your kidneys so whatever you do don't neglect them."

FARMER BELIEVED HIS TIME HAD COME

Griffis Was So Weak He Could
Hardly Walk—Has Fully
Recovered Health

"Tanlac has helped me so much that I made this trip to town especially to get some of the medicine for my wife," said H. O. Griffis, a well known farmer of Glenwood, W. Va., while in Huntington, recently.

"One bottle of this medicine has already made me feel like a new man. For months everything I ate soured on my stomach and I suffered so much from gas at times that I thought my time had come. I used to have dizzy spells, too, and have to give up horse-back riding, and I got so weak I couldn't walk from the house to the fields without having to stop to rest."

"I commenced to feel better almost from the first dose of Tanlac. I have a big appetite now and everything I eat agrees with me. My other troubles have lost their grip, too. In my opinion, when it comes to stomach trouble Tanlac is the 'King Bee' among medicines."

Tanlac is sold in Richmond by Stockton and Son, and leading druggists.

Attractive Tea

One of the prettiest functions of the summer was a matinee tea to which Miss Duncan Foster was host Wednesday afternoon in compliment to her charming house guest, Miss Margaret Smith, of Nashville. The drawing rooms and hall were elaborately decorated with pink and white dahlias, the dining room in flowers of the same shade, the exquisite mahogany table, having for its center a beautiful silver candelabra with the colored tapers making a lovely setting for the party. Assisting the hostess in the hospital were Misses Mattie Jo and Verinda Deatherage, Josephine Covington, Mattie Russell White, Mary Neal and Mrs. H. B. Cosby. Fully 150 guests responded to the invitation. During the hours tempting refreshments of brick cream, individual cakes and mints were served.

How To Get Relief From Rheumatism

Scientists Agree That Cause
Is Due to Waste Products
In the Blood.

The blood is the means by which all tissues, muscles, ligaments and flesh of the body are directly or indirectly nourished. It is also the blood stream that worn-out tissues and waste products are cast out of the system. When waste products accumulate, they are a menace to life. They cause a lowered vitality, many skin disorders and rheumatism. Genuine relief from the agonies of rheumatism can be had only by correcting the basic trouble—waste products.

Thousands and thousands of men and women during the past 30 years have cleared their blood of waste products with S. S. S. It is the ideal remedy for rheumatism, because it removes the poisonous waste matter which is causing the trouble. There are no bad after effects and the result is wonderful. Begin taking S. S. S. today and write for 56 page illustrated booklet, "Facts About the Blood"—free.

Personal medical advice, without charge, may also be had by sending a complete description of your case. Address Chief Medical Director, Swift Specific Co., 732 S. S. S. Laboratory, Atlanta, Ga. All good drug stores sell S. S. S.

IS DOUBTING THOMAS NO LONGER

"All medicines and doctors for stomach trouble proved worthless in my case. Everybody recommended something else and nothing helped, so I became a doubting Thomas as to any cure. While in St. Louis, a party praised Mayr's Wonderful Remedy so highly that I bought a bottle and I am now a doubting Thomas no longer." It is a simple harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. H. L. Perry and Son, and druggists everywhere.

127 Acre Farm

ON

KIRKSVILLE PIKE

AT 10 A. M.—RAIN OR SHINE

This valuable farm known as the Perry Long tract of land, located in Madison county, 4 miles northwest of Round Hill, Ky., will be sold Tuesday, October 4, at 10 a. m., on the premises. This farm will be offered in the following manner—

LOTS Number 1 - 2 - 3 - 4 and 5

Lot 1—Contains 17 3-4 acres of land.
Lot 2—Contains 7.61 acres of land.
Lot 3—Contains 30.56 acres of land.

Combining these three lots the following improvements are—Four room house, tobacco barn, good fences, well watered by springs, well and pond. This tract is in a high state of cultivation. All in corn this year broke out of blue grass sod.

Lot 4—Contains 32.97 acres of land.
Lot 5—Contains 39.01 acres of land.

Combining these lots the following improvements are—Four room house, out buildings, well watered by well and springs, good fences. 8 acres in cultivation, balance in grass.

The Kirkville pike divides Lots No. 1, 2, 3, from Lots No. 4 and 5. Both tracts have long pike frontage. We have here any size farm you want, 7.61 acre farm; 17.34 acre farm; 30.56 acre farm; 32.97 acre farm and 39.01 acre farm. Then combining these tracts we will offer the entire boundary.

We all know the class of land that lays in the Kirkville district. No better. If you are a stranger here, ask the first man you meet where you can buy a farm that will produce good corn, tobacco, etc., in fact any kind of crop that grows in Kentucky, will grow here, and he will direct you to the Kirkville community, because he feels sure if you buy in that locality you will always be a life-long friend for directing him to such a good community. Schools and churches close. You are near to the thriving little town of Kirkville where you will find good banking facilities and all your wants satisfied.

The wise man always takes advantage of an opportunity. It is knocking at your door RIGHT NOW. ACT!

This will be a Big Sale so be on hand. Remember the hour and day—10 a. m.,—the 4th. Possession will be given January 1, 1922.

PUBLIC SALE

OF

116 Acres of Land

Wednesday, Oct. 5, 1921

AT 10 O'CLOCK A. M.

The undersigned will offer at public sale to the highest and best bidder 116 acres of land, situated one mile and a half east of Union City on the College Hill road, about 8 miles from Richmond.

This is as good land as anywhere in the county, rolling just enough to make it desirable, and the land will grow the products that have made this county famous. It is a money-maker, and you will have to see the place to realize its true worth.

The place is well watered and extra well fenced. A fence that will last a life time.

Improvements consist of a good six room house, all necessary outbuildings. The owner or tenant will be glad to show prospective buyers over the place any time before the sale.

Terms liberal and made known on day of sale.
